**PLEASE NOTE:**

- When booking a puppy, a **50% deposit** is required.
- Deposit is **NOT** refundable if you cancel
- Deposit is **only refundable** if I cannot supply you the sex puppy that you booked (at time of sonar we can see how many pups but not the sexes) OR if something should happen to the puppy or the litter that you booked in its 8 weeks after birth.
- By cancelling means that you have cost us a sale of the puppy and a good, loving home.
- Please note that you will be required to sign a purchase agreement – this ensures that you are aware that should you no longer be able to keep your dog for any reason; that we are given first option to take the dog back and if we cannot keep it; that we can find him/her a good home where he/she will be loved and well looked after. A Malinois/Dutch Shepherd is not a dog for everyone and we don't want an SPCA case.
- **Also**, a sterilization contract to be signed
- Transport of the puppy is at the puppy buyers' cost. But I can arrange everything for you as I have my connections and relationship with the people at the airlines that I trust with my dogs and we have come a long way together.
